TTESDAY, MARCH 28, 1899. THE GOVERNOR'S VISIT.

THE arrangements made by the Re-

ception Committee for the visit of Lord Ranfurly to-morrow will be found in another column. The members of the committee are to be complimented on the programme, which has been drawn up with the view of making His Excellency's visit as pleasurable as possible. After the public reception has concluded His Excellency will be shown over the Moanatairi and Tararu Creek batteries, where he will no doubt find much to interest him. Lunch will then be partaken of at the Royal Hotel, after which the Thames-Hauraki pumping works and the races at Parawai will be visited. We can assure His Excellency of a most loyal welcome, and that the local bodies will do everything possible to make his brief stay most enjoyable, and trust that he will take away with him the most pleasant recollections of the time spent in

the district. We are informed that the Thames Naval Fresh Picked Fruit at Wholesale Price Band has kindly consented to play the intro-for Jam making or Retail. Plums 1d to 2d, duction to the children's song, "My Own
