EDITORIAL JOTTINGS.

PRINCE OF WALES' BIRTHDAY.

In connection with the observance of the Prince of Wales' Birthday it is interesting to note that shops and offices are not compelled to close under the Act. The Shops and Offices

The following provisions shall apply with respect to the following sure at seeing him about again. epecial days-that is to say, Christmas Day, Boxing Day, New Year's Day, Good Friday, Easter Monday, Labour day, the birthday of the which, pursuant to proclamation by the Mayor or Chairman of a local others also sustained injuries. authority, is generally observed as a public holiday or half-holiday :

(a) Where ony such special day half holiday if the occupier of a · shop in the "track duly complies with those requirements on the special day in lied of on the statutory closing day.

(b) Where any such special day falls on a Sunday, then for all the purposes of this section the next succeeding Monday shall be deemed to be the special day in lieu of the Sunday, and the provisions of this section shall be construed accordingly.

(c) Where any such special day falls on a Sunday or Monday, the occupier of a shop that is usually closed for a half holiday on Satsuch special day, provided that he closes his shop at one o'clock working day in the week. It will thus be seen that as the

Prince of Wales' Birthday is not included in the "special days" quoted above, shops and offices may remain open on that day.

BREATHING EXERCISES FOR CHILDREN.

The beneficial effects following upon a regular course of deep breathing exercises have caused particular atten-Autumn and Winter tion to be given to the system, not only as regards its application to adults, but more particularly children, especially those of a weakly or modest and netiring disposition. A report presented to the meeting of the Wanganui Education Board convincing as to the improvement noted in the scholars at the Board owing to circumstances, has not been his management of the Royal, Mr Up-country orders carefully attended of the schools indicated, as to justify ment of His Excellency the Governor struction general and regular. The results referred to have followed upon of the weakly children referred to and be convincing to the teaching staff, who are best able to speak as to the mental advantage noticed. It is recommended that all Boards of Education should take this matter up as the results have been more than satisfactory. We would like to see an for the past 11 years been associated experiment made at the Thames with the Junction Hotel, and who is

LOCAL AND CENERAL NEWS.

Bishop Lenihan returned to Auckand to-day.

Captain Swindley, of Coromandel, well known at Thames, is at present

on a brief visit to this district. The number of students at the Auckland Technical School have in-

creased from 30 to 900 in 31 years. We learn from the Chief Postmaster (Mr W. Capper) that a post office will

be opened on June 1st at Mr Smailman's store, Mangaiti, near Te Aroha.

"Spiritualism," said Bishop Leuihan, incidentally at St. Francis' Church last night, "seems to be the great trouble of the day, especially on the goldfields."

The Battalion Band's promenade concerts are not losing in popularity, and last night saw another enjoyable gathering. First class music was

Confirmation Service.

VISIT OF BISHOP LENIHAN.

An impressive ceremony was conducted at St. Francis' Church last night, when Bishop Lenihan administered the sacrament of confirmation to over fifty candidates, amongst whom were a number of adults. There was an overflowing attendance, and accommodation was taxed to the utmost. There were also participating the Rt. Rev. Monsignor O'Reilly, Dean Hackett (Paeroa), Broomfield, Rev. Fathers Clune and McDermott (Redemptorist Order), and Father Holbrook (Auckland).

tering the sacrament, catechised the children, after his kindly fashion, and their prompt response showed how carefully and thoroughly they been instructed. In a simple but direct soft goods. In respect to drugs, readdress he urged them to guard themselves against the temptations that would assail them in their every tures. day life and by their good example to prove to others that their faith was no idle boast. His Lordship complimented the church on the wonderful priests to follow.

Flaxmilling on the Piako,

MR SCOTCHER'S APPLICATION.

At the Crown Lands Board meet-

ing an application was made by Mr G. T. Scotcher, asking the Board to put up to auction another 1000 scree of flax land on the Piako, adjoining John Lyncis, ir., Golconda Hotel, the mill area occupied by him. He already and 1000 acres, but complained that in that locality such an area was insufficient for successful milling George Loram, Star and Garter purposes. The cost of draining the land, for the flax would not grow in stagnant water, and growing the Michael Breen, Tramway Hotel, cut up 50 sections of 2000 acres each the islands. mills in full swing upon them, to the Wellington and touching at Auckland profit both of the Government and sail thence to Norfolk Island, New

Neue (Savage Island), and Cook Is-The Commissioner (Mr J. McKenzie) said it had always been understood that 500 acres in the Piako swamp would, if properly cultivated, keep a mill of 50 hands well going. He considered the flax millers in the Piako had been very well treated. After deliberations, the Board decided to offer at auction the cutting rights of flax over an area of about 500 acres adjoining the applicant's lease for a period of four years.
